- Pouch
- Brush
- Lower Head
- Upper (Entire) Head

DELUXE OFFER INCLUDES

- Charging Cable (5.9 feet) & AC adapter
- Replacement Head
NOTE: Prior to first use, test the shaver on a small area on your arm or leg. If sensitivity or allergic reactions occur, discontinue use immediately.

NOTE: As with all trimmers/shavers, use caution around sensitive areas to prevent nicks or cuts.

**CHARGING / RECHARGING**

- Make sure the unit is fully charged before first use.

- Plug the small end of the charging cable into the Flawless Legs Charging Port and the USB end into the USB AC Adapter (included) (Image 1). Initial charging or recharging requires approximately 1 hour.

*NOTE: Charging cable is shaped to fit one way. Do not force cable. Adjust until it fits with ease.*

- The Flawless Legs has a cordless operating time of approximately 1 hour when fully charged.

- The Indicator Light will turn RED when charging (Image 2). The light will turn GREEN when fully charged.

*NOTE: Unit may be used while charging.*
How to Use

Use on clean and completely dry skin with no cream or cosmetic residue. Unit will work for approximately 1 hour on full charge.

- Remove Protective Cover (Image 3).
- Push the Power Button on top of the unit to turn on (Image 4). The light on the belly of the unit will turn on to show the unit is turned on (Image 5).
- Position the Lower Head against the skin to begin removing hair.
- Gently glide the shaver along skin. Proceed in making small circular motions to remove unwanted hair (Image 6).

**NOTE:** It is normal for the Lower Head to become warm with use.

DO NOT APPLY EXCESSIVE PRESSURE DURING USE to avoid damage to skin or head of unit. Discontinue use if any skin irritation occurs.

- When finished using your Flawless Legs, push the Power Button to turn the unit off. The light will then turn off.
- Clean Lower Head as instructed in the CARE AND MAINTENANCE section.
- Replace Protective Cover and store in a cool, dry place or inside the Pouch.

**NOTE:** Your skin may need time to adjust to the unit. Initially, skin may become irritated and not achieve as close a shave as expected. This is normal and with time, it will improve. Give yourself at least 2 weeks to become accustomed to your Flawless Legs.
Care and Maintenance

For optimal performance, your Flawless Legs should be cleaned after each use.

CLEANING

- The Lower Head is designed for easy removal and easy cleaning. Holding the main body of the shaver in one hand, grip the tabs on the Lower Head with your fingers (Image 7). Gently pull the Lower Head away from the Upper (Entire) Head (Image 8 & Image 9).

- To remove clippings, turn the Lower Head over and gently shake out over a trash can. The included cleaning brush can also be used to remove any clippings that are stuck.
Replacement Head

For optimal results, it is recommended that you replace your Flawless Legs Upper (Entire) Head every 3-6 months. The head may need to be replaced sooner if the Flawless Legs loses performance.

- Ensure unit is fully charged prior to determining hair removal performance.

REMOVAL / REPLACEMENT

- Hold the unit with one hand. With the other hand, twist the Upper (Entire) Head counter clockwise and pull off gently (Image 10).

- To replace, hold the unit in one hand. With the other hand, place the new head onto the unit making sure to align the internal notches and twist clockwise to lock into place. (Image 11). The Upper (Entire) Head will click when locked into place.

To purchase extra replacement heads go to www.FlawlessHeads.com

Tips and Pointers

- For best results, use on hair ¼ inch in length or less.

- Use on clean and completely dry skin with no cream or cosmetic residue.

- If the unit begins to slow down, clean the Lower Head and body of the unit of any hair residue (see CARE AND MAINTENANCE).

- If the unit is still running slow, charge the battery (see CHARGING / RECHARGING under GETTING STARTED).

- Gentle enough to use every day.
Warning

• Keep out of reach of children.
• Do not rinse head under water.
• Do not submerge unit in water.
